

Valley Riders Saddle Club-- Member Hours 2026

This form applies only to Valley Riders Saddle Club members.

In recent years, managing and acquiring workers for each of the shows has become increasingly difficult. Again in 2026, each member eligible for year end awards is required to work 6 hours. Members will have the option to purchase a portion or all of their hours instead of working them at the price of \$20 per hour. Valley will use this money to hire outside help to help run our shows (gate, ring steward, announcer).

This form with payment is due no later than the June 28th open show, so that we have time to hire outside workers.

____ If you wish to purchase a portion of your hours please fill out the form below.

Member Name _____

*Please list all family members eligible for year end awards:

Total Hours Required (6 per family member): _____ Total Hours Purchased: _____

Total Enclosed: (\$20 per hour) _____

Thank you for understanding and helping to make managing workers and running our horse shows more effective!
